### **84<sup>th</sup> Churchill County Junior Livestock Show and Sale Invitation**

As the Churchill County Commission Chair, it is my pleasure to invite you to the 84<sup>th</sup> Annual Churchill County Junior Livestock Show and Sale April 27<sup>th</sup> through the 29<sup>th</sup> at the Churchill County Rafter 3C Arena. CCJLS consists of livestock market animals such as swine, sheep, beef, goat, poultry, and rabbit. As well as all the breeding stock classes.

This event allows Churchill County youth to exhibit skills they have learned in their various projects such as project management, decision-making, fiscal responsibility, time management, record keeping, and project evaluation. The Show and Sale gives our community the opportunity to encourage and reward the youth who are engaged in these positive self-development and educational opportunities.

We would like to invite you to attend the **84<sup>th</sup> CCJLS Auction on Saturday, April 29, 2023 at 1:00 pm inside the climate controlled new Rafter 3C Arena**. The Churchill County Junior Livestock Show and Sale continues to be successful through your generous support. Enclosed is a brochure that explains the ways you can purchase a locally fed and raised livestock animal for your freezer and ways you can purchase an animal with a partner. If you are unable to attend the sale but wish to purchase an animal, you may designate someone as an agent to purchase on your behalf or we can assist you as well.

Additionally, we've enclosed an opportunity to support our hard-working youth by sponsoring awards. If you are interested in sponsoring awards, please mail your contribution along with the bottom portion of the form to the address indicated. If you have donated in the past and would like to do so again, please indicate on the form.

We are eager to help you participate in the show and sale. If you have any questions, please do not hesitate to contact Karen at 775-427-2480 or via email: [ccjls@churchillcountynv.gov](mailto:ccjls@churchillcountynv.gov). On behalf of all CCJLS participants, we thank you for your support. See you at the show and sale!

Best Regards,

Bus Scharmann  
Commission Chairman

## Good Reasons to Buy

- Your auction purchase finances and supports these goal-oriented youngsters and helps them invest in another animal and their future.
- Members learn the fundamentals of business procedures. They keep detailed records of time involved and money invested; they must produce a profit/loss statement upon completion of their project.
- Your auction purchase brings better food to your table.
- Tax advantages.
- Your support of the auction provides the recognition and incentive for boys and girls to earn college funds, buy more animals, and receive practical training in business.

## What you Receive

- Satisfaction of knowing that you are helping Churchill County youth succeed in a wholesome educational program.
- Offering you the opportunity to see how our local youth are helping to feed our community with locally raised, grain fed, quality meat.
- Local media recognition.

## 2 Ways to Participate

- Attend the sale in person. The excitement of the event, the drama of the auctioneer's cry, combines to create an unforgettable scene. Auction committee members and ring men will be on hand to assist you.
- If you, your firm or organization cannot attend the sale but wish to participate, you can do so by proxy. Simply call 775-427-2480. We will be happy to help.

## 2 Ways to Buy

### • Custom Processing

Some buyers will prefer having their purchases processed for their freezer. A nominal charge will be added for processing and the slaughter house will make its usual charge for cutting and wrapping.

Individuals obtain top quality beef, lamb, pork, goat and rabbit while supporting the youth at the same time. Friends and neighbors may share a purchase.

Businesses can use their purchase to demonstrate their support for the community and the youth program. An individual business can make a purchase or two or more businesses can pool their resources and make a purchase.

### • Resale

Any buyer may consign this purchase back to the sale committee for resale at the established commercial price on sale day. The sale committee handles all the details and the buyer only pays the difference between its bid and the commercial market price.

Example: live animal weight = 1000 lbs.

Buyer bids \$2.00/pound X 1000 lbs = \$2000

Commercial price \$.80/lbs X 1000 lbs = \$800

Buyer's actual cost: \$2000 - \$800 = \$1200

## Why We're Here

Learning necessary leadership, business & accountability skills for our future.

Learning how to take responsibility for ourselves, animals & others.

Leadership roles in our club allow us to gain self-esteem, public speaking, respect, pride & role modeling toward other members.

Acquire friendships with youth in the community.

Keeps us out of trouble! By taking the responsibility of raising a project animal it keeps us busy & involved in our projects.

Strive to raise & sell top quality project animals by using our knowledge & skills.

Making the best effort to educate the community on the benefits of becoming a supporter of Churchill County.

Learning to provide services that give back to the community.

Learning the fundamentals of business procedures and keeping detailed records.

## Livestock Sale Rules

The purpose of the Market Show and Sale is to help exhibitors bring their projects to a successful financial close.

1. The sale is for market animals only
2. The order of the sale will be determined by the show committee. The animals placing highest in the market show will be sold first, followed by those placing progressively lower.
3. **Buyers are encouraged to pay for their animal at the sale.** Invoices will be mailed out, payment is due 30 days of sale. Any invoices not paid within 30 days will receive a finance charge of 1.5% monthly until the account is satisfied.
4. The cost of slaughtering, cutting, and wrapping is the responsibility of the buyer.
5. All exhibitors will receive their checks by mail, as soon as possible, after the close of the show and the following condition has been met:
  - \* The buyer has paid
6. Market entries receiving a blue or red ribbon can be sold through the ring. Once the animal is sold through the sale ring it belongs to the buyer.

The buyer may choose:

7. Market Animal Purchase - Have animal processed for my use at the following:  
Fallon Livestock Processing, Hecks Meat, Lahontan Valley Meats or York Meats
- b. Live Pick-Up - I will pick up live
- c. Resell - Have my animal sold at market price and bill me for the difference.
